

*In partnership with technology training partner—Knowledge Matters LLC*

## **CompTIA A+ and DoD 8570 Information Assurance Technology Level 1**

Course Number IT 0004 \$1,495

Troy University offers you one of the most effective ways to become CompTIA A+ Certified in the growing Information Technology industry. TROY's new Learning Management System (LMS) drives the delivery and manages the content for this unique online program. Certified mentoring by a subject matter expert is available on-demand 24/7 for this program. Customized mentoring exercises and test preparation are integrated into every module. TROY's course for CompTIA A+ provides a structured online training program to give you an effective, convenient and affordable way to achieve your certification goals.

### **CompTIA A+ Certification Means Success!**

CompTIA A+ Certification—Essentials and three elective disciplines

Advance your career by ensuring that you have the skills for successfully installing, configuring and troubleshooting PC components. Everything you need to know—from introduction to PC's to understanding and maintaining networks, implementing IT security and workplace safety measures. This program covers introduction to personal computer components, laptop components, peripherals and networks. It begins with a review of PC fundamentals including hardware, networking concepts and operating systems.

Topics include:

Installing, configuring, adding, optimizing and troubleshooting PC components. Understanding and supporting networks. Adding and repairing printers and scanners and much more. Our CompTIA A+ course will take the average student about **65 hours** to complete.

TROY's LMS prepares the student for the following Certifications/Exams:

CompTIA A+:

Exam 220-601: A+ Essentials Test

Exam 220-602: A+ IT Technician Test

Exam 220-603: A+ Remote Support Technician Test

Exam 220-604: A+ Depot Technician Test

CompTIA A+ Certification meets the requirement for DoD 8570 IAT Level 1

Troy University's Continuing Education programs are dedicated to meeting your training needs. These programs include certificate programs, customized business and industry training, personal development and professional development. The Continuing Education Unit (CEU) is a nationally recognized method of quantifying time spent in the classroom during professional development and training activities. The primary purpose of the CEU is to provide a permanent record of the educational accomplishments of an individual who has satisfactorily completed significant non-credit educational and career enhancement experiences. One CEU is equal to ten contact hours of participation in an organized continuing education experience under qualified instruction. For more information about customized sources for your needs, please call your nearest TROY campus or site. All opinions, conclusions or recommendations expressed are those of the instructors and do not necessarily reflect the views of the University.
