CompTIA Network+ Certification meets the requirement for DoD 8570 IAT Level 1

Troy University's Continuing Education programs are dedicated to meeting your training needs. These programs include certificate programs, customized business and industry training, personal development and professional development. The Continuing Education Unit (CEU) is a nationally recognized method of quantifying time spent in the classroom during professional development and training activities. The primary purpose of the CEU is to provide a permanent record of the educational accomplishments of an individual who has satisfactorily completed significant non-credit educational and career enhancement experiences. One CEU is equal to ten contact hours of participation in an organized continuing education experience under qualified instruction. For more information about customized sources for your needs, please call your nearest TROY campus or site. All opinions, conclusions or recommendations expressed are those of the instructors and do not necessarily reflect the views of the University.
