Certified mentoring by a subject matter expert is available on-demand 24/7 for most course modules. Customized mentoring exercises and test preparation are integrated into every program. TROY's course for DoD 8570 Quick Cert provides a structured online training program to give you an effective, convenient and affordable way to achieve your certification goals.

## **DoD 8570 Quick Certification Means Success!**

### DoD 8570 Quick Certification

Advance your career by ensuring that you have the certification required to successfully meet the Department of Defense 8570 Directive for Information Assurance Technology and Information Assurance Management before the 2010 deadline arrives.

A+ Essentials validates knowledge of basic computer hardware and operating systems covering skills such as installation, building, upgrading, repairing, configuring, troubleshooting, optimizing, diagnosing and preventive maintenance with additional elements of security and soft skills. The Essentials Exam validates the basic skills needed by any entry-level service technician regardless of job environment. A+ 220-602 exam is targeted for individuals who work or intend to work in a mobile or corporate technical environment with a high level of face-to-face client interaction. Examples of job roles include: Enterprise Technician, IT Administrator, Field Service Technician and PC Technician.

Our DoD 8570 Quick Certification course will take the average student about **132 hours** to complete and prepares the student for the following certification exams:

DoD 8570 Quick Certification:

Exam 220-601: A+ Essentials

Exam 220-602: A+ IT Technician (elective)

Exam 220-603: A+ Remote Support Technician (elective)

Exam 220-604: A+ Depot Technician (elective)

Exam SY0-101: Security+ Curriculum

A+ Certification (Essentials and one elective) meets the requirements for DoD 8570 IAT Level 1

Security+ Certification meets the requirements for DoD 8570 IAT Level 2 and IAM Level 1

Troy University's Continuing Education programs are dedicated to meeting your training needs. These programs include certificate programs, customized business and industry training, personal development and professional development. The Continuing Education Unit (CEU) is a nationally recognized method of quantifying time spent in the classroom during professional development and training activities. The primary purpose of the CEU is to provide a permanent record of the educational accomplishments of an individual who has satisfactorily completed significant non-credit educational and career enhancement experiences. One CEU is equal to ten contact hours of participation in an organized continuing education experience under qualified instruction. For more information about customized sources for your needs, please call your nearest TROY campus or site. All opinions, conclusions or recommendations expressed are those of the instructors and do not necessarily reflect the views of the University.
